

CCC's Fall 2016 Scavenger Hunt

Here is the list of our 10 Scavenger Hunt “targets.” The idea is to see how many items from the list you can photograph. You do not need to “capture” all ten to participate. Get as many as you can, but try for all 10.

Remember - Do not use existing images from your files – the idea is to get out, shoot and be creative! But most of all...Have fun!

Tuesday, November 15th I'll email everyone instructions about how to submit your images.
